 You are the cheese to my macaroni. 	 I love you more than wine! 
 We stick together like peanut butter and jelly. 	 I love you more than bacon! 
 I will stop loving you when an apple grows from a mango tree on the 30th of February. 	 My doctor says I'm lacking Vitamin U. 
 Me without you is like spaghetti without sauce, a pancake without syrup, or french fries without ketchup. 	 Are you a tamale? Beause you're hot! 
 If you were ground coffee, you'd be Espresso because you're so fine. 	 You make me melt like hot fudge on a sundae! 
 You're hotter than donut grease. 	 Kiss me if I'm wrong, but a steak is a vegetable, right?
